

Horses for Adoption

Winding Road Equine Rescue & Retirement, Inc.

“Athena” **Quarter Horse** **D/O/B Unknown**

Athena has an incredible friendly personality. She came from an auction so we have no history on her—and she was so sick when she arrived in February.

Athena has just blossomed and is absolutely gorgeous. She is such a deep dark brown she is almost black, and has an upside down tornado on her face. She loves people and enjoys attention. She is a Quarter Horse type and is just three years old.

Athena will make an incredible horse for someone.

Talk about before and after! What a transformation!
